The sort of man who had it in him to accept the promise of tomorrow from a sweet woman. But he wasn't the kind of man who liked sweet. The former SEAL didn't like much of anything or anyone. His past had taught him that people where liars and cheats and his time as a Special Forces operator taught him people also killed and manipulated. So Jameson did what he did best and walked away from the sexy blonde, with legs that were every man's fantasy. But when she comes back in desperate need of help, he cannot turn is back on the beautiful Kennedy Lane a second time.

Kennedy Lane was in trouble and she only knew one man who could help. But when she went in search of her childhood friend, the owner of Gemini Group, she found his sexy teammate Jameson instead. The man was positively.....
