While documenting his own personal identity struggles with gender and self-identity, British K-Pop singer Oli London explores the root cause of the issue of trans ideology and gender identity, tackling the pressures of social media, the education system, media, and other factors that are pushing a growing number of young people into transitioning. He takes a close look at real world examples and examines laws, research, and data to help lift the lid on the multibillion-dollar gender affirming care industry.

*Gender Madness* gives an intimate look into what led Oli London to want to become a "Korean woman" and how he overcame his battle to become an advocate for the millions of young people who question their.....
